

GRADE LEVEL STANDARDS

Grade Level Standards are outcome-based statements. They indicate what the student is expected to know or to do for each grade level. They do not indicate how the concept is to be taught. Standards are the WHAT and are different than curriculum and instruction that provide the HOW.

There are one or more Grade Level Standards for each of the Essential Concepts. Each grade also has a particular theme:

- Pre-Kindergarten – Creation and Child of God
- Kindergarten – Creation, Jesus, and God’s Family
- First Grade – Creation, Jesus, and the Church
- Second Grade – Sacraments, Mass
- Third Grade – The Catholic Church
- Fourth Grade – Morality, Catholic Doctrine
- Fifth Grade – Sacraments
- Sixth Grade – Old Testament
- Seventh Grade – New Testament
- Eighth Grade – Church History, Morality

Because of the inter-dependency between the Essential Concepts and the particular theme for each grade, several Grade Level Standards are to be “bundled” together for one class session or lesson plan. Samples for bundling Grade Level Standards can be found in the Liturgical Mapping section of this document. Mapping Grade Level Standards with the Liturgical Calendar will also be a major aspect of training workshops for effectively using the Religious Education Standards.

Grade Level Standards are also broken into four age groups. This format offers catechists an opportunity to review what the student has learned in previous grades and what they will be expected to learn in future grades. The groups are: Pre-K, K, 1; Grades 2, 3, 4; Grades 5 & 6; Grades 7 & 8.
