

Donation Collection Info

These bulletin flyers and/or posters can be used to encourage your community to donate to the Agape Food Bank.

There is space at the bottom of each page for you to add information about dates, where to leave donations, etc.

Please check the Group Leader Packet to see what your group's specific collection item is in addition to monetary donations.

These were made on Canva, if you have an account and would like access to the original in order to edit it on Canva, email Kelsey.

If you have other needs/ideas for the advertisement of donation collection, please email Kelsey (kelsey.harrington@seattlearch.org).

Thanks!
