VEHICLE ACCIDENT FORM INSTRUCTIONS

Keep a Copy of Form in Dashboard of Vehicles

In case of a vehicle accident involving possible injury to any person, possible damage to another vehicle, or damage to any Archdiocese or non-Archdiocese property, please follow these steps.

- 1. Stop immediately and take precautions to prevent further collision, damage, or injury.
 - a. If your vehicle is in the roadway, move to the side of the road out of traffic if it is safe to do it. If the vehicle not working, or you are injured, stay where you are.
- 2. Call 911 after any accident where there is possible injury to yourself or others, you feel that the scene is unsafe or it requires assistance to clear, or if you don't know what to do.
- Collect and record information about the accident, the vehicles, and the people involved.
 Washington State Law requires the exchange of names, addresses, insurance companies, insurance policy numbers, and vehicle license numbers.
 - a. Use the following Vehicle Accident Form to help write this down.
- 4. Use your cellphone to take photographs or videos of damage to vehicles and other things related to the accident if it is safe to do so.
- 5. Never admit fault, do not apologize or say sorry (this can be interpreted as an admission of fault), and do not accept or offer settlements at the scene of an accident.
- 6. Do not discuss the accident with anyone except Emergency Response Personnel (police, fire, medical), Archdiocese or Parish Staff, or representatives of Sedgwick.
- 7. Report the incident to Sedgwick, our Administrator for Insurance Claims. Be prepared to provide them with the information you collected using the following form.

a. Call Sedgwick by phone at 866-471-9518

- 8. Notify your supervisor of the incident when it is safe to do so and provide them with your completed Vehicle Accident Form for recordkeeping.
- For collisions with \$1,000 or more in damage, you may need to file a Motor Vehicle
 Collision Report with Washington State Patrol. The only exception is if a police officer is present at the scene of the accident and states that they will submit the collision report.
